Sub: Teaching faculty during academic session

Sir/ Madam

With reference to the subject cited above, I am directed to inform that subject cited issue was considered by 93/CC in its meeting held in July, 2013 which noted that in some cases teaching faculty either resign or/are terminated during the academic session which adversely effects the quality of education.

In view of above, it was decided to instruct the pharmacy institutions that -

- a) the teaching faculty whose name is shown at the time of inspection and approval is granted by the PCI on the basis of availability of the said teaching staff will not be eligible to join other institutions during the same academic year. Hence staff who have resigned or terminated by the management on grounds other than the criminal misconduct during the currency of the said academic session will not be taken to count while granting approval for such institutions.
- b) in the event of any dispute the matter shall be referred to the PCI.

This is for strict compliance at your end.

Yours faithfully
